thank you!

Dear Donor,

On behalf of the *Diane Lewis Education Scholarship Committee*, we extend our sincere gratitude for your support. All 2021 Financial Contributions will continue to be used to encourage and motivate students in the Northwest Indiana region to continue their education after high school.

In addition, your support will help us increase our impact and intensify our efforts to reach not only the youth in our area, but also adult students who have a desire to start or continue their college education.

Thank you for helping us to continue the legacy of our mother, Diane Lewis who was an educator, a lifelong learner, and a woman of God!

Sincerely,

*Mr. David Lewis*  
President/CEO  
Sons of David
